Memorandum for the Log

31 August 1951

11. 1. There was delivered to Mr. Wolf a rough draft of a proposed lease of an airplane from a private individual. Mr. Wolf was to discuss the matter generally with the individual concerned.

12. 2. There was delivered to Mr. Wolf a proposed directive pertaining to the procedure for handling establishment of any arrangements with retired Government personnel, military or civilian. The directive was prepared for Mr. Wolf's signature to the Personnel Director and the Comptroller.

25X1 13. 3. Mr. Wolf approved the proposed letter of instructions [redacted] Prior to signature, however, he requested that Dr. Langer be advised on the matter, pointing out that this was believed to be a technical matter to assist in keeping the record in order. 25X1
